1. The Budget must cover all eligible costs of the Action, not just the Contracting Authority's contribution. The description of items must be sufficiently detailed and all items broken down into their main components. The number of units and unit rate must be specified for each component depending on the indications provided.
2. This section must be completed if the Action is to be implemented over a period of more than 12 months.
3. Costs and unit rates are rounded to the nearest euro cent.
4. If staff are not working full time on the Action, the percentage should be indicated alongside the description of the item and reflected in the number of units (not the unit rate).
5. Indicate the country where the per diems are incurred and the applicable rates (which must not exceed the scales published by the E.C. at the time of contract signature http://ec.europa.eu/europeaid/work/procedures/index_en.htm). If information is not available, enter a global amount. Per diems cover accommodation, meals and local travel within the place of the mission and sundry expenses.
6. Costs for CO2 offsetting of air travel may be included. CO2 offsetting shall in that case be achieved by supporting CDM/Gold Standard projects (evidence must be included as part of the supporting documents) or through airplane company programmes when available. Indicate the place of departure and the destination. If information is not available, enter a global amount.
7. Costs of purchase or rental.
8. Specify. Lump sums will not be accepted.
9. Only indicate here when fully subcontracted.
10. Communication and visibility activities should be properly planned and budgeted at each stage of the project implementation. These activities should not only focus on publicising the EU support for the action but also on its outcome and impact. Please note that the Communication and Visibility Manual for EU External Actions is available on the following website: http://ec.europa.eu/europeaid/work/visibility/index_en.htm)
